PROFESSIONAL EXPERIENCE

1. **Valencia Community College** 2000 - present
President of one of the nation's largest and most celebrated community colleges, Valencia is widely known for its academic excellence, Learning Centered Initiative, high rates of graduation, and outstanding services to business in Florida's Orange and Osceola counties. The college serves over 58,000 credit students and more than 11,000 continuing professional education students annually, with a staff consisting of 1500 full-time staff, including 400 faculty, and over 1,700 part-time faculty and staff. The college operates with an annual budget of \$125 million.
2. **North Harris College** 1991 - 1999
President of a comprehensive community college located in the northern region of Houston, Texas. The college, the flagship institution in a district of four colleges, served some 11,000 credit students per semester and over 22,000 community education students per year.
3. **North Carolina Community College System** 1983 - 1991
Vice President for Program Services and chief academic officer of the community college system with responsibility for all academic, technical and vocational programs, New and Expanding Industry Programs, Small Business Assistance, JTPA, law enforcement training, fire and safety training, continuing education programs, adult literacy, staff development, federal vocational education funds, adult high school programs and policies effecting educational practice in the 58 constituent institutions of the system. Also responsible for liaison to the senior colleges and universities, UNC Board of Governors, State Board of Education, State Job Training Coordinating Council, and the various education committees of the N.C. General Assembly.
4. **North Carolina Board of Science and Technology** 1982 - 1983
Raleigh, North Carolina
Research Associate and policy advisor in the Office of the Governor dealing with state policy and programs in higher education, science, technology, economic development, and innovation.
5. **University of North Carolina** 1980 - 1983
Chapel Hill, North Carolina
Instructor to multiple sections of a large undergraduate education course for non- majors. Research assistant to Dr. Marvin Wynne, studying time and learning. Research associate, Quality Assurance Program.
6. **Cobb County Schools** 1978 - 1980
High school teacher responsible for teaching Introduction to Chemistry and Oceanography; co-chairman of science department; varsity track coach; recipient of outstanding teacher award.
